May Newsletter

April showers brought May delights! After a rainy April, our Cardinal residents are excited for the new opportunities May has in store. We're thrilled to share some highlights from our community.

Indoor Garden Thrives

Our indoor garden is sprouting new life! Residents are enjoying watching the seeds they've planted grow into beautiful plants. The Gardening Club has been busy collecting supplies from Lowe's and adding a splash of color to our memory care and assisted living gardening beds.

Outdoor Adventures Ahead

With the sunshine, our residents are gearing up for outdoor fun! We're looking forward to fishing trips, scenic river trail walks, and spontaneous ice cream outings. It's shaping up to be an exciting month!

We hope you're as excited as we are for the adventures May will bring! Stay tuned for more updates from our community.

Our Gardening Club has been busy collecting supplies from Lowes to support our garden, filling bird feeders with fresh bird seeds to attract our feathered friends and refreshing our gardening beds with new soil to prepare for a bountiful harvest.

Our residents had a blast painting birdhouses and decorating flowerpots, embracing their creativity and having fun!
