A New Year Wish

*A brand new year, a fresh new start,
A time to heal, a time to chart,
The course ahead, the dreams to chase,
With hope and love, we'll find our place.*

*The past is gone, but lessons stay,
To guide us through each brand new day,
With courage strong and hearts alight,
We'll greet the dawn, embrace the light.*

*Let laughter ring and joy unfold,
As moments precious we'll behold,
With every step, with every year,
We'll chase our dreams, without a fear.*

*So here's to you, and all you do,
May happiness and peace find you,
In 2025, let's make it bright,
Together, we'll make this year take flight.*

HAPPY NEW YEAR!
